Rural electrification

†412. SHRI JAI PARKASH AGGARWAL: Will the Minister of POWER be pleased to state:

(a) whether all the villages in the country particularly in Delhi have been electrified;

(b) if so, the details thereof, as on date;

(c) if not, the number of villages yet to be electrified; and

(d) by when all the villages in the country are likely to be electrified?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) As per CEA report, out of 5,93,732 inhabited villages as per 2001 Census, 4,87,351 villages have been electrified as on 31st December 2007 in the country. As regards Delhi, all the 158 villages in the State stand electrified.

(b) State-wise status of village electrification as on 31-12-2007 is given in the Statement (*See* below).

(c) As on December 2007, there were 106381 villages yet to be electrified, as per the progress report published by CEA.

(d) The continuation of Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY) in the Eleventh Plan period has been approved for attaining the goal of providing access to electricity to all households, electrification of about 1.15 lakh un-electrified villages and electricity connection to 2.34 crore BPL households by 2009. The capital subsidy of Rs. 28000 crores during the Eleventh Plan period, at this stage has been provided.

Statement

Status of village electrification as on 31.12.2007

Setting up of hydro electric projects by MNCs

413. SHRI P.R. RAJAN: Will the Minister of POWER be pleased to state:

(a) whether Government is planning to set up hydro electric projects in the country with the help of Multi-national Power Companies (MNCs); and

(b) if so, the details thereof?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) No, Sir. Presently, no such proposal is under consideration of the Government of India.

(b) Does not arise.

Tackling power shortage

†414. SHRI MOTILAL VORA:
SHRI SATYAVRAT CHATURVEDI:

Will the Minister of POWER be pleased to state:

(a) the current power generation and requirement in the country;

(b) the quantum of power required after five years;

(c) the steps being taken by Government to meet the shortage of power; and

(d) whether Government would consider the illumination of highways through solar energy so as to meet the power shortage?
